

IPC Mission

Illinois Plumbing Consultants believe education is the key to success. Our organization is dedicated to the education of apprentices and licensed plumbers. We have combined the expertise of experienced plumbers and plumbing inspectors to create a curriculum that encompasses the core of the Illinois Plumbing Code as well as offer the practical hands on exposure needed to apply these lessons. At IPC, we understand the challenge of juggling a full time job and furthering your education. That's why we have structured the Illinois Plumbing License Prep Program to fit your schedule. Through education, you can achieve excellence!

Educators

Joseph Pienschke

combines more than 52 years of field training and experience into this educational program. He is a former board member and president of the Illinois

Plumbing Inspectors Association. His successful career in the plumbing industry has given him a thorough background from which he applies the practical application of the course materials. Joe believes that education opens doors to success.

Rick Sperando

has been in the plumbing industry for over 35 years. He successfully owns and operates a local plumbing and mechanical company as well as IPC. He is dedicated to inspire future plumbers to be prosperous by offering them the necessary tools for success through education.

John Bertram

has been in the plumbing industry since 1985. He has worked in both commercial and residential shops for over twenty years, and John has been a plumbing inspector since 2005. A graduate of the University of Wisconsin-Platteville with a degree in Education, John recognizes the importance of passing on his knowledge and he looks forward to helping others enter the plumbing industry.

Schedule

The Illinois Plumbing License Prep Program is a two semester course which combines lectures, presentations, as well as practical applications. Each class compliments previous sessions so regular attendance is necessary.

Tuesdays & Thursdays
5:30—7:30 PM

Fall Semester:

Begins: September 1, 2015

Ends: December 3, 2015

(Class will not be held on November 26)

Spring Semester:

Begins: January 5, 2016

Ends: April 7, 2016

Location

Classes will be held at:

1400 Miller Parkway, Suite I
McHenry, IL 60050

Tuition

Tuition is due before the first class. We accept cash, check, and all major credit cards. The cost for the Illinois Plumbing License Prep Program is:

\$650 per semester

or

\$1,200 per year

*****\$100 Savings*****

Mock Exam

Apprentices that are in their 3rd or 4th year of training are strongly encouraged to take the Illinois Plumbing Mock Test.

This exam will help identify areas that are in need of improvement, teach testing strategies, and build confidence in taking the Illinois State Plumbing License Test. Please visit our website for scheduled dates and further details.

IllinoisPlumbingConsultants.com/practice-plumbing-test

Cost of Enrollment: \$575

** Students enrolled in the Illinois Plumbing License Prep Program are eligible for a discounted rate of \$375.

Students must provide their own materials for the Mock Exam. A material list will be provided to you prior to the exam.
